Small Group Pattern Recognition

Each group identifies:

- One repeated pattern—一種重複出現的模式
- One invisible assumption—一個隱含的假設
- One possible long-term impact—一種可能的長期影響

Structural Connection

If children repeatedly see:

- boys as brave
- girls as caring
- fathers as working
- mothers as emotional

What happens later in:

- schools?
- workplaces?
- politics?

This is not accidental.這並非偶然。

This is socialization.這是社會化的結果。

Padlet Reflection – Early Gender Memory

Think about one childhood story, toy, or message about gender.

What did it teach you?

Did it empower you?

Did it limit you?

Students write 3–5 sentences in English.
