

WEEK 11 | BODY & BEAUTY STANDARDS 身材與美的標準

ALINGGO, SHIUE LING, LEE

慈濟大學人類發展與心理學系教授

Learning Goals

01. Explain how beauty standards function as gender regulation mechanisms.
解釋審美標準如何作為性別規訓機制發揮作用
02. Analyze how patriarchy disciplines both femininity and masculinity.
分析父權制如何規訓女性氣質和男性氣質
03. Identify internalized body surveillance.
辨識內化的身體監視
04. Critically evaluate media and commercial influences on body norms.
批判性地評估媒體和商業對身體規範的影響
05. Propose alternative representations that resist aesthetic hierarchy.
提出能夠抵抗美學等級制度的替代性表現

Theoretical Foundation

1.From Regulation to Discipline

Link to Week 10:

Harassment = visible power.騷擾 = 可見的權力

Body discipline = invisible power.身體約束 = 無形的權力

From Chapter 8 – Gender Norms:

Norms create expectations.規範塑造期望

Theoretical Foundation

1.From Regulation to Discipline

From Chapter 4 – Cycle of Oppression:

Stereotype刻板印象 → Norm規範 → Enforcement強制執行 →
Internalization內化

Week 11 focuses on:

Internalization.內化

We begin to monitor ourselves.我們開始自我監督

Theoretical Foundation

2.The Body as Regulated Site

Gender regulates:

- Behavior行為
- Speech言語
- Posture言語
- Clothing衣著
- Body size體型
- Muscle肌肉
- Skin皮膚
- Hair髮型

Theoretical Foundation

2.The Body as Regulated Site

**This is gender policing extended to the body.
這是將性別規範延伸到身體上的體現。**

Theoretical Foundation

3. Patriarchy and Aesthetic Hierarchy

Important clarification:

Patriarchy privileges masculinity, but disciplines masculinity.

父權制賦予男性特權，但同時也規訓男性氣質。

Theoretical Foundation

3. Patriarchy and Aesthetic Hierarchy

Women:

- Must be thin, youthful, hairless, soft.
- Are evaluated visually. 外表成為評判標準

Men:

- Must be tall, muscular, dominant.
- Are evaluated physically and economically.

Theoretical Foundation

3. Patriarchy and Aesthetic Hierarchy

Key insight:

Women are told to shrink. 女性被要求收斂。

Men are told to expand. 男性被要求擴展。

Both are controlled.

Theoretical Foundation

4. Masculinity Regulation

Hegemonic masculinity (Connell)霸權男性氣質（康乃爾）

Precarious manhood theory不穩定男性氣質理論:

Masculinity must be proven.男性氣質必須證明。

It is easily threatened.它很容易受到威脅。

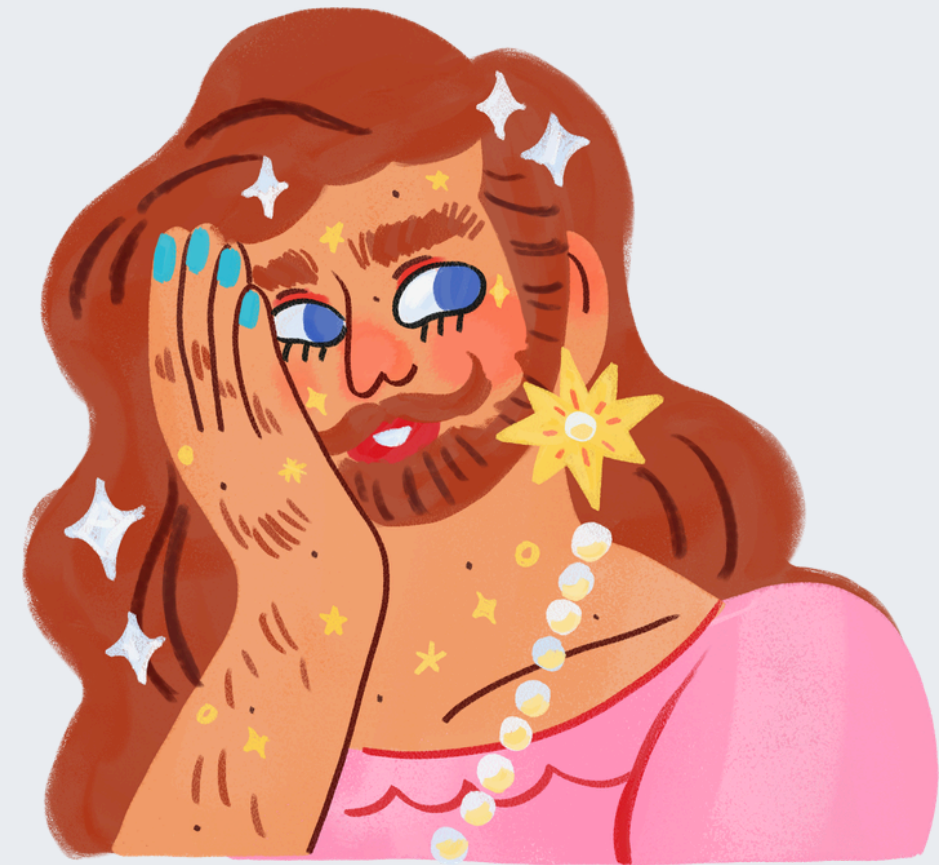

Theoretical Foundation

4. Masculinity Regulation

Regulation mechanisms:

- “Be a man.”
- “Don’t cry.”
- “Hit the gym.”
- Homophobic policing. 恐同政策

Men experience privilege, but also emotional restriction.
男性享有特權，但也受到情感束縛。

Theoretical Foundation

Who profits from insecurity?

Theoretical Foundation

5. Commodification & Capital

Industries:

- Beauty products美容產品
- Anti-aging industry抗老產業
- Diet industry減重行業
- Gym & supplement market健身及營養補充品市場
- Cosmetic surgery整容手術
- Filters & digital editing濾鏡及數位修圖

Insecurity is profitable有利可圖.

Regulation becomes commercialized商業化.

Opening Reflection

Activity Questions:

What part of your body do you like most? Why?

What part do you dislike? Why?

Where did you learn this preference?

Video Analysis Block

1. Black Girls Documentary (影片無法播放)

Focus:

Race 種族 + beauty hierarchy

Hair politics
