Theme 2 — Ethical Core Card Ritual

Step 1 — Structural Mapping

What triggers the end of a round?

Why is repetition重複 important?

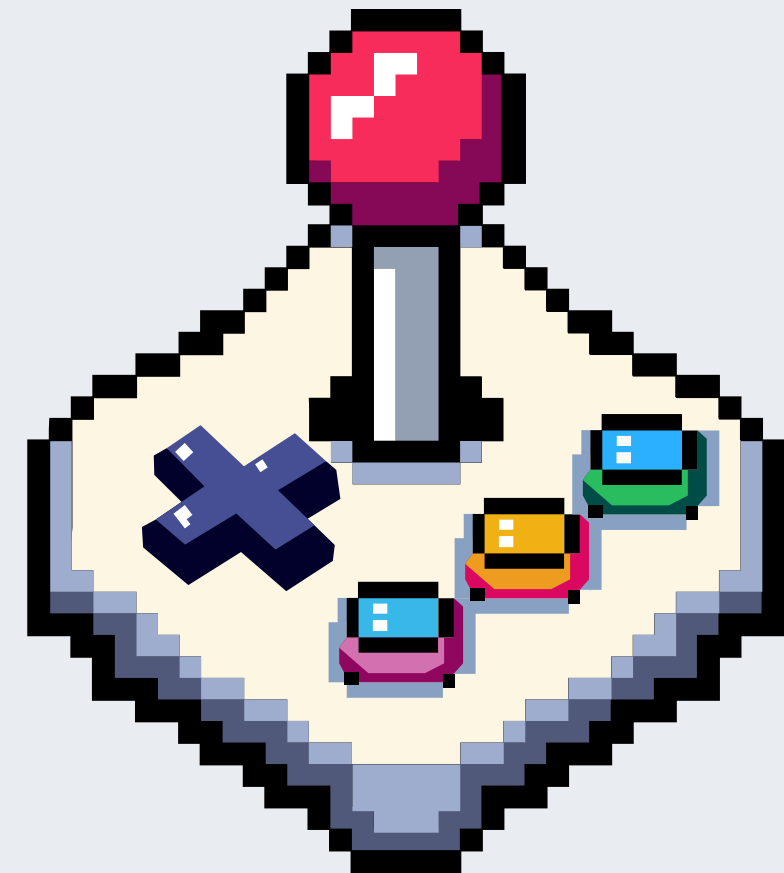

What does returning to shelter庇護所 represent?

Theme 2 — Ethical Core Card Ritual

Part 2 — Meaning of Mechanic 牌卡機制

- Continue or retreat 繼續或撤退
- Crisis repetition 危機重複
- Gem distribution 寶石分配
- Artifact system 神器系統
- Help strategy cards 幫助策略卡

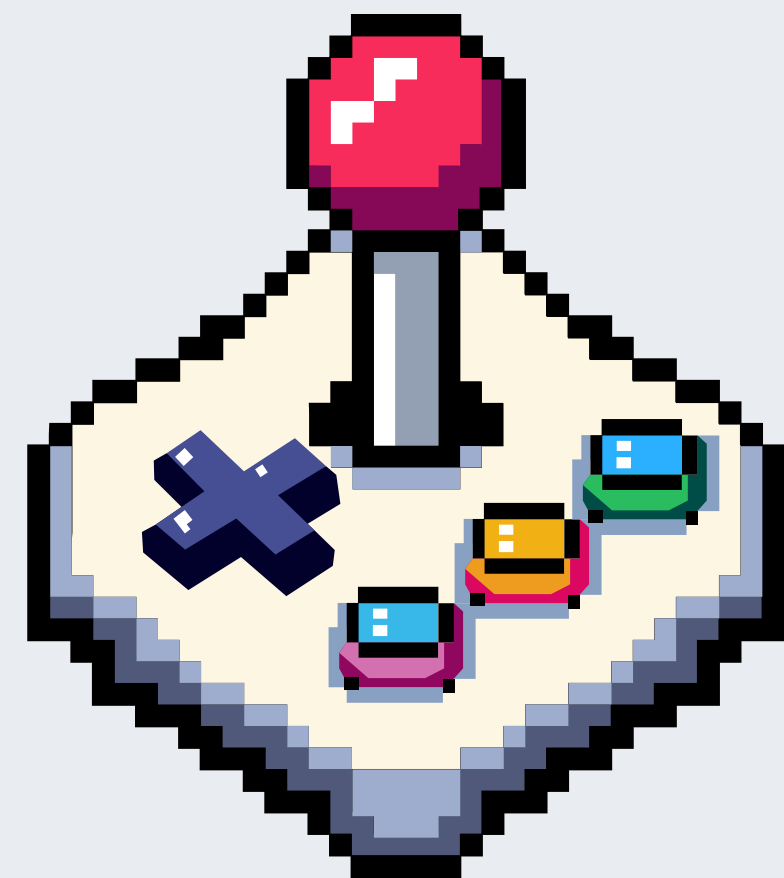

Theme 2 — Ethical Core Card Ritual

Part 2 — Meaning of Mechanism 牌卡機制

Your task is to answer three questions:

1. What does this represent in digital life?
2. What behavior or risk does this simulate?
3. How would you explain this to junior high students?

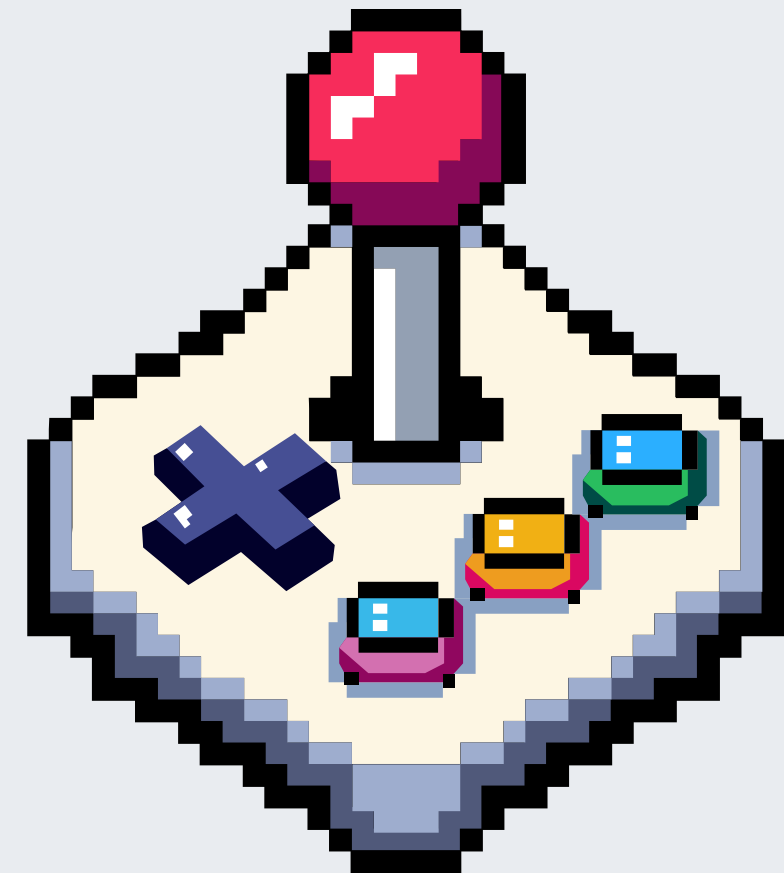

Theme 2 — Ethical Core Card Ritual

Part 2 — Meaning of Mechanic 牌卡機制

These mechanics simulate 模擬:

- Risk escalation 風險升級
- Peer influence 同儕影響
- Reward systems 獎勵機制
- Help-seeking behavior 尋求協助行為

Theme 2 — Ethical Core Card Ritual

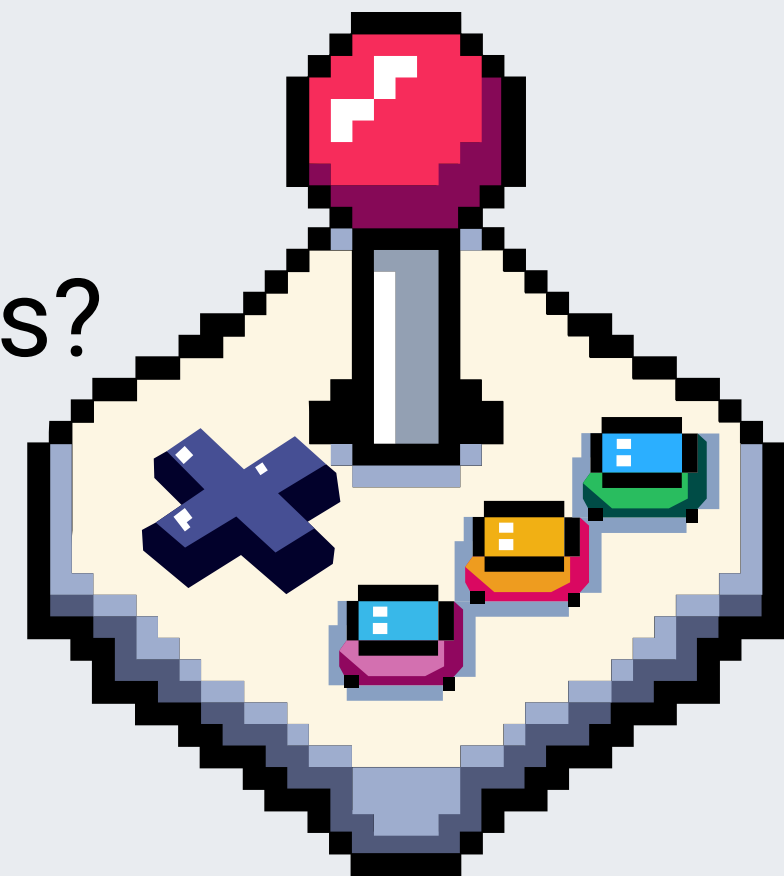

Step 3 — Sharing

Board structure:

Level 1 — Experience

Level 2 — Meaning

Level 3 — Structure

Level 4 — Action

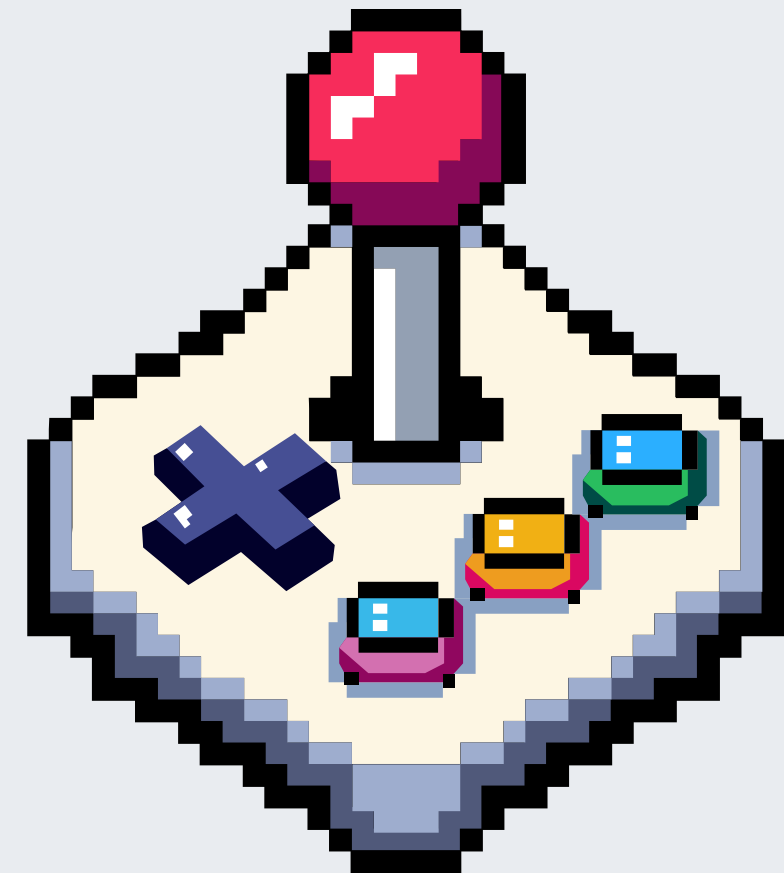

Theme 2 — Ethical Core Card Ritual

Step 5 — Evaluation Strategy

Groups design:

- Exit ticket 課堂小結
- Scale rating 評分量表
- Reflection slip 反思單
