Learning Goals

01. Synthesize their semester learning into a structured public presentation.
將本學期所學整合為一個結構化的公開演講
02. Articulate their personal gender awareness development.
闡述個人性別意識的發展歷程
03. Evaluate peer-designed educational advocacy projects.
評估同儕設計的教育倡議計畫
04. Reflect critically on their transformation in knowledge, awareness, and responsibility.
反思自身在知識、意識和責任感上的轉變

Part 1 — Group Poster Presentation

Gender Advocacy Board Game Implementation

Each group must:

- Submit draft outline before presentation在展示前提提交大綱草稿
- Meet instructor for consultation與指導老師討論
- Revise based on feedback根據回饋進行修改

This ensures academic rigor.

Part 1 — Group Poster Presentation

Gender Advocacy Board Game Implementation

Please present:

- What you designed
- Why you designed it
- What structural issue you are addressing

Part 1 — Group Poster Presentation

Gender Advocacy Board Game Implementation

Each group:

8 minutes presentation

3 minutes Q&A

All students must prepare at least one question for another group.

Part 2 — Peer Voting & Appreciation

10 minutes

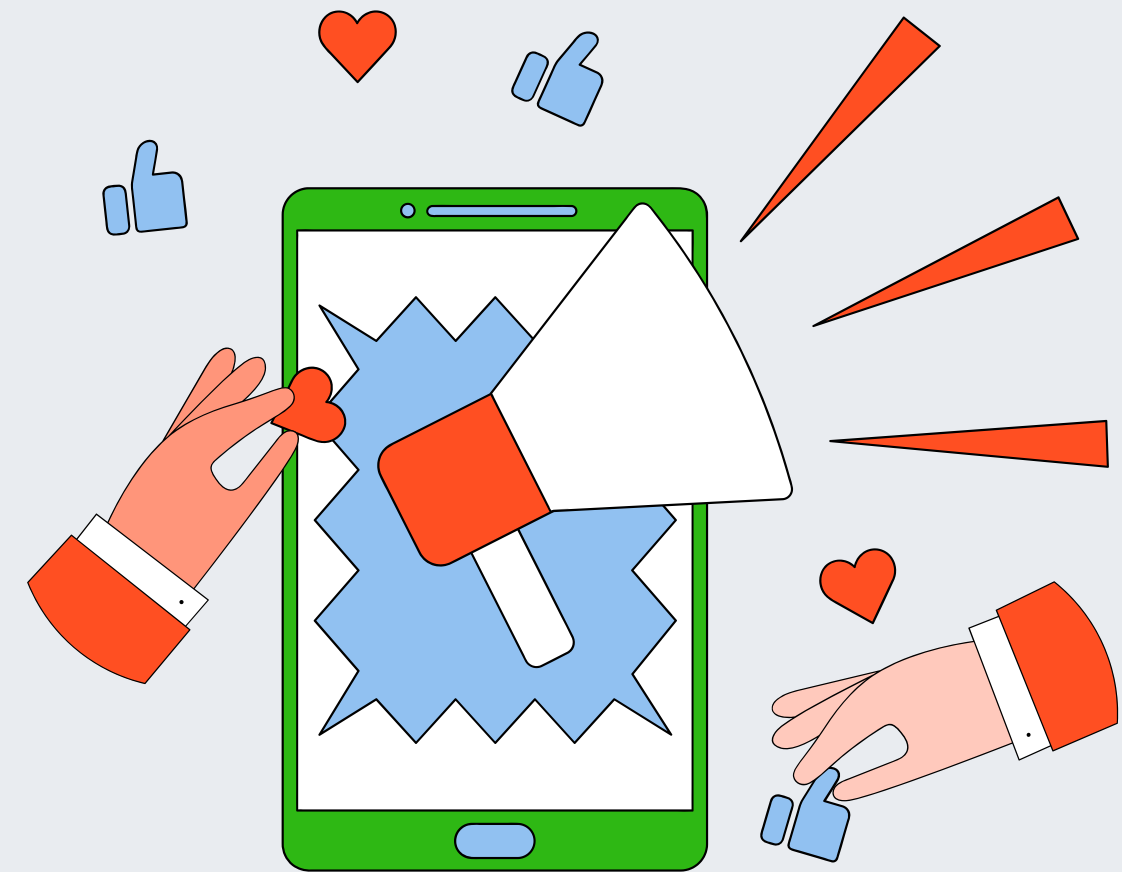

Each student receives 2–3 sticker votes.

Criteria 評分標準:

- Structural depth 結構深度
- Ethical clarity 倫理清晰度
- Educational feasibility 教育可行性
- Reflective quality 反思性

This is appreciation-based voting, not competition.

這是基於讚賞的投票，而非競爭。

Part 5 — Semester Celebration & Closure

Gender education is not about agreement.性別教育並非達成共識。
It is about awareness.而是提高意識。
It is about recognizing power.而是認識權力。
It is about preventing harm.而是預防傷害。
It is about advocating for dignity.而是倡導尊嚴。

Final Activity – Poster Appreciation & Padlet Upload

- Photograph posters
- Upload to Padlet
- Leave one appreciative comment

This archives collective learning.

The Cycle of Liberation

Each of us is part of an ongoing cycle.
Awareness leads to reflection.
Reflection leads to action.
Action leads to transformation.
And transformation inspires others.
This cycle is not linear.
It moves in waves.
Sometimes forward.
Sometimes retreating.
Sometimes renewing.
What matters is that we remain engaged.

Linking to This Course

In these 15 weeks:

You have moved from vocabulary to awareness,
from awareness to structure, from structure to responsibility.

You are not leaving this course as the same person who entered.

You now carry:

- ethical awareness 倫理意識
- structural thinking 結構化思維
- advocacy skills 倡議能力
- reflective capacity 反思能力

That is not small.

Structural Coherence of 15 Weeks

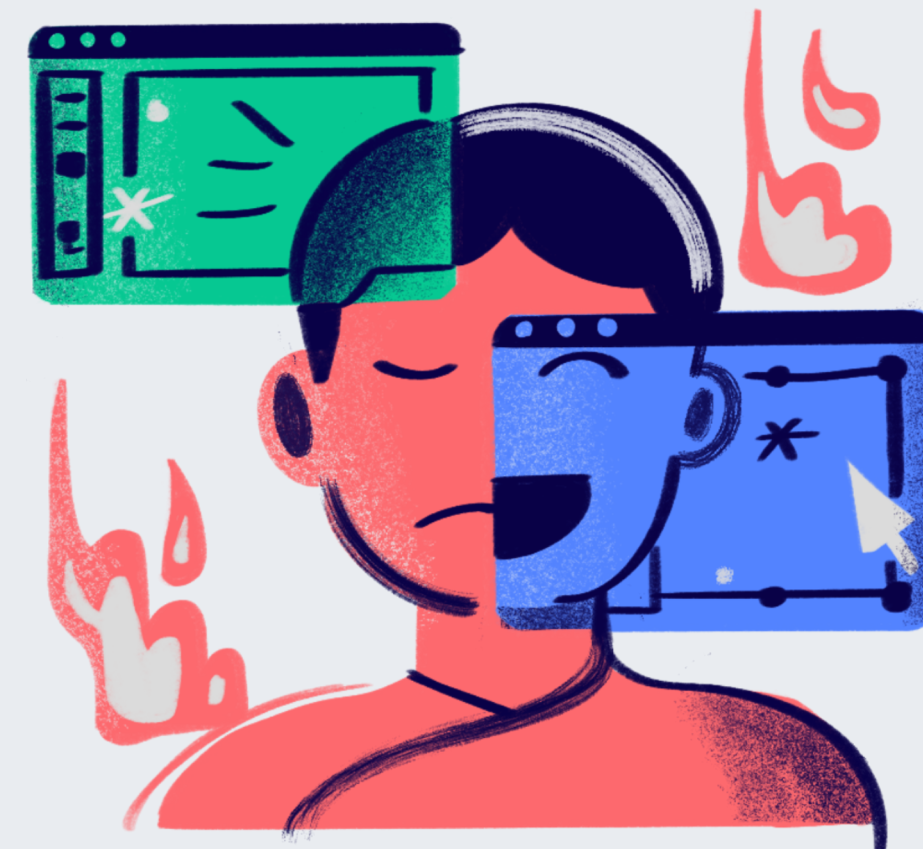

Week 1–4 → Concepts & Critical Thinking

Week 5–9 → Identity, Diversity & Structure
